One Day At A Time A Novel:

Write Your Novel One Day at a Time J. W. Judge, 2022-11-01 You've always had the ideas for your novel. Now you can do the work of writing it. *Write Your Novel One Day at a Time* will help develop the processes to do the creative work of writing your novel. I will show you the power of consistency by giving you a look at my daily word counts and journal entries through the six-month endeavor of writing my third novel while working my day job as a commercial litigator and raising a young family. My writing has been twenty-five years in the making and now includes four non-fiction books and three novels. All these books have been written in small chunks, a few hundred words at a time, because small increments are the only ones I have. Through this book, I will show you how showing up daily to do your creative work will help you deliver the book you want to write. But I'm not the only one who has had to juggle writing, family, and a career. In *Write Your Novel One Day at a Time*, I interview five successful writers who began writing their novels during their professional careers. Through these interviews and my own experiences, I will help you develop a blueprint for how you can get your creative work done. I am not a guru who has all the answers; I am a writer who is figuring things out as I go. So as I learn on the fly, I want to help flatten the learning curve and provide some encouragement for those of you who also aspire to write novels and get your words and your work into the world.

Life can be challenging even in the simplest of times But in a world where life itself is threatened the complications are overwhelming and exhausting The story within this book tells how our family found the only way to survive was to lean on God while taking one day at a time The promise of healing was never given to us and indeed was never truly expected The diagnosis was clear and offered little hope only a 20 percent chance to live to age five The guidance of our God and the prayers of so many were the only hope we had for a miracle and even that was never truly promised We would find that as we looked back over the years we could see God's hand at work on our behalf long before we even knew we needed help We learned to take one step at a time as we walked through life one day at a time Walking and Talking with Jesus One Day at a Time Pauline Romano, 2020-03-10 I have always loved writing poetry and I have always written poems for my family and friends for different special occasions in a rhyming format But ever since I was baptized and became a Christian I felt this urge in my heart to put into words how good it makes me feel as I talk with Jesus every day I read my Bible every day and I love the New Testament I always read a small booklet called Our Daily Bread which has scriptures and a short one page story for each day of the month I was inspired by this little book I really enjoy reading it I'm hoping my book will make it easier for the working people to get in a little time to talk to our Lord and Savior every day On their way to work they ride the bus or if they carpool or maybe even during their lunchbreak I also hope to reach retired people who might be at home alone and might find some comfort by reading my book It might also help them learn where a few passages are in the Bible
