You've Lost Your Mind Now Find Your Soul Rev. Dr. Sandy Range Ph.D. LMHC, 2019-07-19 I wasn't always Dr Sandy I once was a lost little girl seeking for anyone to love and care about me I didn't feel human and felt like I was from another planet I just didn't belong I went through this cycle for many years until I discovered that I was Soul This discovery led me to get my graduate and then doctoral degrees It led me down a path I had been taught in childhood but had forgotten That was the path of medicine woman and shaman and then I became an esoteric metaphysical minister You see in order to find your soul you really do have to lose your mind I did and I questioned everything What is God Who are humans really What are we supposed to be doing here I found that as humans we are becoming plagued in a stagnant pattern of pain illness and suffering everywhere in the world This is not how it is meant to be I found that living through our Soul Self allows us to see the world more clearly and accurately and can remove the patterns of suffering and struggle The world is changing and many people have forgotten how to be fully human however many are awakening knowing sensing and feeling there is something more If you are one of those people open these pages and discover how to raise your consciousness and

heighten your awareness Discover how we should be fully aware of the ego mind that will lead us to believe we are either greater than great or just no good Even when we are neither we believe it anyway That is the power of ego What you will discover is how to pay much more attention to your soul consciousness by getting out of our heads and begin living from the place of soul We ve forgotten who we are Being fully human requires reigning in the ego and becoming the Divine Beings we truly are Soul is Divine after all
