Conn, 2025-06-06 No 3 in the Academy of Parish Clergy Top Ten Books of the Year The city presents serious challenges that cry out for answers poverty racism human exploitation and government corruption How can the church move ahead in the midst of these demands with the gospel of hope Here in one comprehensive volume Harvie Conn and Manuel Ortiz two noted scholars and proven practitioners of urban ministry address the vital work of the church in the city Their dual goal to understand the city and God's work in it Through four great waves of development Conn and Ortiz trace the history of the city around the world Then they tackle the critical issue of a biblical basis for urban mission How does the Bible view the city Are we closer to God in the country than the city Does the Bible have an anti urban bias These questions are given a thorough analysis that unveils God's urban mandate as reflected in both Old and New Testaments From this foundation the authors unpack the multifaceted nature of the city as place as process as center as power and as a place of change and stability They move us beyond fragmented stereotypes to a new way of seeing that is holistic enough for a fully biblical ministry to develop In addition Conn and Ortiz lay out what the social

Brooks,2014-04-29 Much of the New Testament was written in urban settings in which the Christian communities had to deal head on with issues such as race equality justice sexuality money and economics But much of today's apologetics engagement with the questions that people are asking about Christianity come from suburban churches and academic studies Urban believers those who live and minister in America's inner cities often face unique issues not often addressed by the larger Christian community These questions aren't neat or easy to answer but need to be addressed by applying biblical truth in the culture and challenges of urban life Author Chris Brooks has ministered for years in the urban environment as well as received extensive theological training In *Urban Apologetics* he seeks to connect the riches of the Christian apologetic tradition with the issues facing cities such as poverty violence and broken families He brings an urban rhythm and sensitivity to the task of demonstrating the relevance of faith and the healing truth that Christ provides *The Christian World* ,1870 *The Road to Salvation "Because With God We Prosper & Without Him We Fail!!!"* Anthony Antolic,2015-07-04 You may have noticed a steady trend of moral decline religious indifferents increasing crime as well as unemployment Could the Supreme Court's ruling that defines the First Amendment's separation of Church and State clause in 1972 have contributed to these trends Is it possible that many of the human trends are being intentionally designed to corrupt the American understanding of freedom If so who benefits *Urban Impact* John L.
