solutions of slightly more than half of the end of chapter problems in The Dynamics of Heat The numbers of the problems
includ ed here are listed on the following page A friend who knows me well noticed that I have included only those problems
which I could actually solve myself Also to make things more interesting I have built random errors into the solutions If you
find any of them please let me know Also if you have different ways of solving a problem I would be happy to hear from you
Any feedback also on the book in general would be greatly appreciated There is an Errata sheet for the first printing of The
Dynamics of Heat By the time you read this it should be available on the Internet for you to download A reference to the URL
of the sheet can be found in the announcement of my book on Springer s WWWpages www.springer-ny.com Winterthur 1996
