**Still Here!** Braxton DeGarmo, 2021-10-26 The Apocalypse A code book of future events awaiting deciphering Or a picture book of current events Is there a global tyrant who will be known as the Antichrist Who or what is the Beast The False Prophet Who are the 144 000 What is Babylon and who is the Prostitute who seduces the world Understanding the Book of Revelation need not be daunting You don't have to be theological scholar to understand it After all John wrote it for the common man Yet the key to understanding lies in the Old Testament foreshadowing and types preceding it Nowhere is the phrase The Old Testament is the New Testament concealed and the New Testament is the Old Testament revealed more true And once you understand it and take a look at the world today the more you might recognize that the Apocalypse is now

with his charm and confidence Is he who he says he is In a series of twists and turns the four become embroiled in the battle against human trafficking Their target is powerful well armed widespread and rich enough to bribe politicians policemen and judges They have vowed to fight They will need all their courage and determination guardian angels and a miracle Escape the ordinary as you follow the lives of our heroes Download Rescued and Remembered now but be warned it might change how you see life      *Wrongfully Removed* Braxton DeGarmo,2015-07-01 What would you do to protect your family Would you stand up to the government Sinead O Malley and her husband fight to reunite their family after the State of Massachusetts tore it apart and ignores their right to due process Now as he sits in jail she has a choice to make It s a choice that could lead to losing her eldest daughter forever When an unexpected storm cell takes down MedAir 724 Amy Gibbs RN finds herself rescued at the hands of an angel of mercy But who is this woman And whom is she along with her handicapped daughter hiding from Amy too has a choice to make One that could change her life forever Medical kidnapping could occur to your family Would you be prepared to fight back at any cost Download Wrongfully Removed now to follow the latest exploits of Amy Gibbs and the characters of the MedAir Series      *The Militant Genome* Braxton DeGarmo,2012-07-01 A master gene for race Geneticists say such a thing doesn t exist However the Colonel founder of the Missouri White Alliance has devised a genetic weapon capable of devastating dark skinned peoples globally He is only weeks maybe days away from implementing his viral version of racial cleansing s final solution There s only one threat to his plan a hotheaded member of the MWA has become the target of a nationwide police search for murder and the kidnapping of local celebrity Della Winston and the unwanted attention risks bringing federal scrutiny to the previously unknown white supremacy group Sarah Wade MD has enough stress as a senior Emergency Medicine resident She never expected that her discovery of a murdered medical student would inadvertently jeopardize her career Or that the next day murder of a Nigerian diplomat would lead to the kidnapping of her best friend Della Winston The cascade of events pull her and Seamus O Connor the detective assigned to the high profile medical center murder into a life threatening conspiracy of murder kidnapping and rising racial tensions The Militant Genome is a medical thriller set in St Louis Woven into the story are themes about the evil of racism the threats of biotechnology and one s eternal destiny The story begins as Sarah Wade MD a senior resident in Emergency Medicine takes her Advanced Trauma Life Support credentialing course and discovers that her surrogate patient a medical student is a real stabbing victim Sgt Seamus O Connor and his partner draw the case and begin their investigation Within twenty four hours Sarah s life is turned inside out her career is threatened by false charges from the pompous egotistical Chief of Trauma a visiting Nigerian diplomat is murdered outside a popular restaurant on the riverfront and the only witness to see the killer s face Sarah s life long best friend Della Winston is kidnapped outside a local club Meanwhile from across the country the events in St Louis are being followed with concern by the Colonel He is part of a university medical research team presenting their work on Alzheimer s Disease to a major symposium During the day he has helped discover a major breakthrough in the

cause and potential treatment of the disease Outside the lab he leads a previously unknown white supremacy group the Missouri White Alliance based in the Ozarks With his like minded technicians they have found a way to re engineer a promising treatment for the skin cancer melanoma into a viral weapon that attacks dark skinned peoples By combining that virus with a virulent strain of influenza he hopes to cause worldwide racial genocide to honor his grandfather a Klu Klux Klan Grand Wizard during his life and to avenge the murders of his wife and daughter at the hands of black home invaders However he has received word that the man who killed the diplomat is not just one of his men but his nephew The intense police and federal investigation into that killing threatens to unveil his group and derail his plans The story explores the issue of racism not just via the major plot line about racial genocide but also through the unexpected relationship that develops between Sarah and Seamus She is African American and he is as white and Irish as they come They have their Catholic backgrounds as common ground but nothing more The potential threat of biotechnology in the wrong hands should be apparent The definition of genome is a full set of chromosomes all the inheritable traits of an organism The genome is God s blueprint for life Leave it to man s tinkering to lead to trouble The theme of eternal destiny becomes an important turning point in the story Let s not spoil it by giving away anything more
