Only the Sacred Peggy Whalen-Levitt, 2011-09 The materialist philosophy that has dominated Western civilization for the past four hundred years is coming to an end In **Only the Sacred** Transforming Education in the Twenty first Century we are introduced to a new vision of reality where we sense a more profound world within the material world we know so well In this remarkable collection of articles originally published in Chrysalis a publication of the Center for Education Imagination and the Natural World we journey with twenty three educators through an exploration of fundamental questions of our time a path of inner schooling for educators and practices where a new understanding of a sacred universe is actualized in diverse educational settings Inspired by the mentoring of Thomas Berry this collection makes it clear that the depth and fullness of the universe from the stars in the heavens to the dirt beneath our feet cannot be known by the intellect alone Only a sense of the sacred deep within the human soul will reveal the whole Children's Spirituality in Early Childhood Education Jennifer Mata-McMahon, Patricia Escarfuller, 2023-07-19 This pioneering volume provides a thorough understanding of children's spirituality from a holistic development perspective and explores the ways early childhood educators can nurture spirituality in the secular classroom Making a critical distinction between spirituality and religion this book draws on conceptual and empirical research as well as authentic classroom vignettes to explore how theory translates into practice Inviting readers to examine how their beliefs inform their practices Children's Spirituality in Early Childhood Education offers a purposeful window into supporting children's learning and development with a focus on their souls making it important reading for teachers teacher candidates researchers and teacher educators in the field of early childhood education The Soul of Education Rachael Kessler, 2000 Explores the spiritual dimension of education and discusses ways to nourish the spiritual development of adolescents in public schools without violating anyone's legal rights **Transformational Teaching** Mary Goral, 2009-05 A picture book for all ages from painter Thomas Locker Most of all he thanked the wilderness for teaching him to see in a new way In Blue Mountains is about the love of nature and the importance of beauty It tells the story of an artist who sets out to explore wilderness and discovers a new way of seeing Bewildered at first by the profusion of nature There are so many leaves he could never paint them all Gradually he learns to see its wholeness and to trust his feelings As he does so he embarks on an adventure of learning about light and shadow the way color changes through the day and how looking at nature leads to a new understanding of himself and the world This illuminated story is set in America's first wilderness the Kaaterskill Clove in Upstate New York made famous by the Hudson River School of painters many of whose pictures are reflected in this book Thomas Locker's In Blue Mountains is a personal deeply moving testament to the power of beauty and art to nurture our children's natural love of the world Indeed it can inspire childlike wonder in people of all ages In Blue Mountains is a wonder filled book that makes a great gift for both children and adults It contains 13 full page color

reproductions of the artist's paintings of Kaaterskill Clove and the beautiful blue Catskill Mountains *Perspectives on Children's Spirituality in Diverse and Changing Contexts* John Chi-Kin Lee, 2024-07-19 This book offers multidisciplinary and inclusive perspectives on children and young people's spirituality and its research in diverse socio-cultural contexts. It brings together a collection of select research articles that were published over a period of nearly two decades (2003-2021) in the International Journal of Children's Spirituality (IJCS) to celebrate the journal's 25th anniversary. Featuring contributions by leading international scholars from U.K., U.S., Canada, Finland, Australia, Hong Kong, and China, this edited volume focuses on different and complementary perspectives on children's spirituality in diverse and changing contexts. Chapters cover topics such as the study of children's spirituality as a natural form of human awareness, a proposed pluricultural approach, the potential contributions of psychoanalytic tradition and cognitive psychology, possible influences of tradition's multidisciplinary and perceptions on understanding children's spiritual experiences, Christian perspectives on children's spirituality in relation to living and dying in Quebec, Canada, Finnish pre-adolescents' perceptions of religion and spirituality using technology, specifically tablets as a component for understanding children's spirituality and cyber spirituality. This volume will be an invaluable resource for researchers and postgraduate students majoring in education studies, life and moral and spiritual education, and those majoring in psychology and religious studies. **Creativity** Matthew Fox, 2004-06-17 The author of *Original Blessing* explores how the highest communion with the Divine can be found right at our fingertips in the simplest expressions of human creativity. Drawn from a sermon that has electrified listeners, here is a concise, powerful meditation on the nature of creativity from Episcopal priest and radical theologian Matthew Fox. Creativity is Fox at his most dynamic. It is immensely practical and leaves the reader with a message to put into action in life. Fox tantalizingly suggests that the most prayerful, most spiritually powerful act a person can undertake is to create at his or her own level with a consciousness of the place from which that gift arises. Story, Formation, and Culture Benjamin D. Espinoza, 2018-10-15 *Story Formation and Culture* brings together a myriad of scholars, researchers, and ministry leaders into conversation about how we can effectively nurture the spirituality of children. Built around the three themes of story, formation, and culture, this volume blends cutting-edge research and insights with attention to how we can bring theory into practice in our ministries with children. The work of children's spiritual formation is often a marginalized component in the church's overall ministry. This volume seeks to equip pastors, leaders, and scholars with cutting-edge research and practices that effectively strengthen their ministries with children. *Creating Balance in Children: Activities to Optimize Learning and Behavior* Lorraine O. Moore, 2019-02-05 Educate the whole child with over one hundred activities that promote physical, cognitive, and emotional social balance in children. This insightful resource helps educators, parents, and childcare providers discover how emotions affect learning and behavior, recognize the symptoms and sources of imbalance, and promote students' physical, mental, emotional, and social development. Students and teachers will learn more about the body-mind-heart connection, the

importance of nutrition and options for correcting and preventing imbalance with over one hundred activities Using the author s flexible guidelines teachers can help children develop attributes such as kindness and courage love and joy and a sense of meaning and interconnectedness Creating Balance in Children Activities to Optimize Learning and Behavior takes the lessons learned from Creating Balance in Children s Lives and transforms them into easy to use activities for use in the home and the classroom
