

A dramatic illustration of the Nativity scene. In the center, the Virgin Mary is seated, holding the infant Jesus, who is glowing with a bright light. They are surrounded by a large crowd of people, including shepherds and animals like sheep and oxen. The scene is set in a rustic wooden stable with a thatched roof. In the background, there are dark, jagged mountains under a dark, stormy sky. A brilliant star shines brightly in the sky, casting a powerful beam of light down onto the manger. The overall atmosphere is one of awe and divine presence.

Long Shadows Petra Rau,2016-05-31 Few countries attribute as much importance to the Second World War and its memory as Britain arguably nowhere else has this conflict developed such longevity in cultural memory and retained such presence in contemporary culture Long Shadows is about how literature and film have helped shape this process in Britain More precisely the essays collected here suggest that this is a continuous work in progress subject to transgenerational revisions political expediencies commercial considerations and the vicissitudes of popular taste It would indeed be more accurate to speak of the meanings plural that the war has been given at various moments in British cultural life These semantic variations and fluctuations in cultural import are rooted in the specificity of the British war experience in the political aftermath of the war in Europe and in its significance for Britain's postwar position on the global stage In other words the books and films discussed in these essays respond to how the war has been interpreted and remembered what is at stake is the way in which the war has been emplotted as a hegemonic cultural narrative about Britain **New-Church**

Messenger ,1927 **Word of God Hidden in Mary** Anthony Mary Mofunanya,2007 The word has the power to become incarnate without Mary Why then did God incorporate Mary into the economy of our salvation to become the Mother of the Incarnate Word If God out of love cannot but incarnate himself through Mary for our salvation what does this suggest for all the graces that come to us through Jesus Christ our sole Mediator Is the incarnation of the Word and the Divine Motherhood of Mary and their unfathomable humility not a challenge to the pomposity of any social political and religious status Pride being fed by hatred has blinded many humans not to see the incomprehensible love of God and the dignity of human person made manifest in the incarnation of the Word and in particular the dignity of womanhood restored and revealed in Mary What has love to do with all these Reconstructing the story of the Virgin Mary's life through passages in Scripture poetry prayers and inspirational narrative Anthony Mary Mofunanya addresses her often undervalued importance in God's incarnation and redemption of Man As the woman chosen by God to be the mother of his son Mary not only raised Jesus for thirty years before he began his ministry but was also his comfort and refuge during the turbulent three years before his death and resurrection Most importantly Mary was the new Eve immaculately conceived to atone for Adam and Eve's fall from grace in the Garden of Eden and predestined to be the masterpiece of God's creation and the vessel for Man's salvation
