### **Love Life of a Cheltenham Lady**

Dinah Brooke, 2025-11-04 A devastating account of the sexual awakening of an English lady Publishers Weekly played out amongst the stagnant lagoons of the Adriatic underneath an unforgiving Tuscan sun Miranda her husband Louis and their baby daughter are supposed to be spending the summer in a rented villa in Tuscany He's a self-assured young American actor She's a well-educated and well-bred English ingénue Shortly after they arrive however Louis is unexpectedly called back to London Abandoned in the middle of the Italian countryside with her baby Miranda's increasingly fraught solitude is disturbed by the arrival of a handsome young Italian His name is Oreste an actor from Rome invited by her husband Miranda immediately falls under his spell and into his arms Their tempestuous frenzied affair awakens within her a sexuality of which she was previously unaware But it also unleashes something fateful and violent too setting events in motion that send the novel hurtling close-charged brittle heedless and headlong Kirkus toward its horrifying conclusion Written in the same limpid assured style cruel yes but not detached or apathetic Harper's Magazine as Lord Jim at Home which was hailed a masterpiece The Telegraph when it was recently republished Dinah Brooke's transgressive debut remains every bit as shocking as when it was first published in 1971

### **The Unspeakable Skipton**

Pamela Hansford Johnson, 2025-09-09 It's not easy being a genius Just ask Daniel Skipton the greatest or let us say the most under-recognized novelist of his generation Skipton is only a few revisions away from finishing his masterpiece a satire of literary London that will humiliate his enemies and make him as famous and as rich as he deserves Yet in the meantime he is forced to scrape by in obscurity and self-imposed exile amid the deserted canals of Bruges barely surviving on a regimen of blackmail bullying persistence and native charm One afternoon at a local cafe he encounters the acclaimed playwright Dorothy Merlin and her entourage worldly tourists on the lookout for erotic adventure and in need of a local guide Soon they are joined by an even juicier target a Venetian count who dreams of singing on the English stage and who will spend anything to make his dream come true Or

so he leads Skipton to believe Too long out of print in the U S The Unspeakable Skipton belongs on the shelf beside the best work of Nancy Mitford or Muriel Spark As Michael Dirda writes in his foreword it is a dark chocolate treat deliciously witty and bittersweet     Stainless Todd Grimson,2025-10-14 Justine is a vampire Keith just lives like one An ex junkie and ex rock star his hands mangled by his dead ex s own jealous ex he s let go of all his ambitions He s content to be Justine s live in Renfield helping her pick up dinner when she needs a bite keeping an eye on her lavish L A manor when the sun is out and she s down for her beauty sleep It s true that Justine has been around for a few centuries and Keith barely three decades but they re good for each other Justine is teaching Keith to take the long view Keith is reminding her how it feels to be alive Between and around them though move a cast of criminals victims artists dead enders hangers on wanna bes and other distractions undead and otherwise Can there be such a thing as love in a world where there are also such things as monsters First published in 1996 Todd Grimson s Stainless is a noir fantasia a symphony of bloody horror and a woozy romantic tour of night side L A Not only is it the last best vampire novel of the twentieth century it might well be the last best farewell to the mythic Los Angeles of Bette Davis Dennis Hopper and Less than Zero In a league with the best of James Ellroy and Raymond Chandler and closing the coffin for good on poor Bram Stoker Stainless is the final word on fangs hangovers and heartbreak

walk across Paris on the old pilgrimage route Rue Saint Jacques then trek about 750 miles south to Roncesvalles Spain The eccentric route would take 72 days on Roman roads and The Way of Saint James the 1 100 year old pilgrimage network leading to the sanctuary of Saint James the Greater in Spain It is best known as El Camino de Santiago de Compostela The Way for short The object of any pilgrimage is an inward journey manifested in a long reflective walk For Downie the inward journey meets the outer one More than 20 000 pilgrims take the highly commercialized Spanish route annually but few cross France Downie had a goal to go from Paris to the Pyrenees on age old trails making the pilgrimage in his own maverick way

**Tenements, Towers & Trash** Julia Wertz, 2017-10-03 An acclaimed cartoonist presents New York City as you've never seen it before with a side-splittingly funny illustrated history of the blocks the buildings the guts and the little known charms and horrors of the greatest city in the world In *Tenements Towers Trash* Julia Wertz takes us behind underneath around and into the New York that you think you know Not the tourist's New York the Statue of Liberty makes a brief appearance and the Empire State Building not at all but the underbelly of the city that never sleeps With drawings and comics in her signature style Wertz regales us with streetscapes Then and Now and little known tales such as the lost history of Kim's Video the complicated and unresolved business of Ray's Pizza the vintage trash and horse bones that litter the shore of Brooklyn's Bottle Beach the ludicrous pinball prohibition Staten Island's secret abandoned boatyard and the hair-raising legend of the infamous abortionist of Fifth Avenue Madame Restell From bars bakeries and bookstores to food carts street cleaners and apartments both cramped and grand *Tenements Towers Trash* is a wild ride in a time machine taxi from the present day city to bygone days of yore A New York Times Notable Book of the Year     [Using Massive Digital Libraries](#)

Andrew Weiss, LITA, 2014-07-18 Some have viewed the ascendance of the digital library as some kind of existential apocalypse nothing less than the beginning of the end for the traditional library But Weiss recognizing the concept of the library as a big idea that has been implemented in many ways over thousands of years is not so gloomy In this thought provoking and unabashedly optimistic book he explores how massive digital libraries are already adapting to society's needs and looks ahead to the massive digital libraries of tomorrow covering The author's criteria for defining massive digital libraries A history of Google Books and the Very Large Digital Library with a refresher on the initial protests of the scholarly communication community Practices of massive digital libraries and how traditional libraries are evolving to integrate their presence A comparison of the collection development approaches of Google Books and HathiTrust Library applications such as MDL for research in digital humanities catalog integration through the Google Book API Culturenomics and the Google Ngram viewer Case studies of library projects with Google Books with analysis of aspects such as legibility of scans metadata accuracy culture and diversity Providing a solid grounding on the concept of massive digital libraries and their strengths and weaknesses as digital information tools this book will help librarians understand how they function and what we can expect in the future     [Bibliostyle](#) Nina Freudenberger, Sadie Stein, 2019-10-22 A visual delight and an inspiration for every

**Facing the Beast** Naomi Wolf, 2023-11-09 From New York Times bestselling author Naomi Wolf Facing the Beast is a devastating detailed account of wrongthink deplatforming and an unexpected political personal and spiritual transformation that followed during one of the most divisive times in American history In this uncompromising investigation into today s most urgent issues Naomi Wolf uses her own wildly politicized pilgrimage from New York Times bestselling author and high level Democratic consultant to a journalist cast out from the elite political and social circles she once moved through as a stunning narrative framework that is both chilling and incisive Wolf s sin Doing the job that good journalists once prided themselves on asking questions challenging authority and during one of the most politically divisive moments in modern history exposing the many failures of the public health response during the COVID 19 pandemic by chronicling the dangerous descent of our democracy into tyranny censorship and totalitarianism Unable to remain silent in the shadows and unwilling to collude with the mainstream Wolf bravely covers topics that few other writers dare to address critically for fear of being deplatformed Facing the Beast explores reproductive rights medical freedom the uncurious thought policing of the progressive left the Second Amendment the criminal relationship between the FDA and Pfizer Wolf s clear writing repeatedly shines light in the dark corners of our fractured society A decades long champion of free speech freedom of the press and the Constitution Wolf found herself not only in the midst of a political rebirth but a spiritual transformation as well one in which the events of the day could only be described in terms of good evil and a metaphysical quest on the nature of reality For readers of Matt Taibbi Glenn Greenwald and Bari Weiss Facing the Beast is a

fearless indictment of legacy media and the political class as well as a brutal reminder that searching for and defending the truth can be dangerous Naomi Wolf is one of the bravest clearest thinking people I know The reason you hear the forces of repression so desperately trying to dismiss her is because she is right Tucker Carlson
