about some of the trouble and problems that can come into a persons life and turn the persons life upside down and all around My book tells of some of the problems and trouble I have endured from childhood to adulthood It also tells of how I overcame my situations and did not allow them to control or dictate my future My book tells how the Almighty God stepped in and kept me safe all through my life even now he is still with me It also tells how my God will and can do the same for everyone who will keep the faith and never give up that faith We all know that Satan wants us all to fail and when we allow Satan to have the upper hand he makes sure that we are caught with our mouths hanging down and our tongue hanging out He then stands back and laughs at us as we have to go through the punishment and shame that our actions has cost us Then again Satan is not always to blame for our situations is he Sometimes we go through trouble because we choose the wrong path or decision mainly because we think we can handle it better than God can We get caught when our actions and decisions go wrong and we blame everyone or something else instead of blaming the one possible reasonourselves My book lets everyone know that God is standing ready able and waiting to help each of us All we need do is have faith in God and have the courage and strength not to give up that faith After going through so much in life and still here to tell about it I wanted everyone to know that God is real and able and he waits for each of us to reach out to him for help Never give up
