A Fan's Guide to Baseball Analytics Anthony Castrovine, 2020-05-12 Broken up into sections pitching fielding hitting this authoritative yet fun and easy guide will help readers young and old fully understand and comprehend the statistics that are the present and future of our national pastime We all know what a 300 hitter looks like The same with a 20 game winner Those numbers are ingrained in our brains But do they mean as much as we think Do we feel the same way when we hear a batter has a 390 wOBA How about a pitcher with a 1.2 WHIP These statistics are the future of modern baseball and no fan should be in the dark about how these metrics apply to the game In the last twenty years an avalanche of analytics has taken over the way the game is played managed and assessed but the statistics that drive the sport metrics like wRC FIP and WAR just to name a few read like alphabet soup to a large number of fans who still think batting average RBIs and wins are the best barometers for baseball players In *A Fan's Guide to Baseball Analytics* MLB.com reporter and columnist Anthony Castrovine has taken on the role as explainer to help such fans understand why the old stats don't always add up Readers will also learn where these modern stats came from what they convey and how to use them to evaluate players of the present past and future For instance what if we told you that when Joe DiMaggio had his famous 56 game hitting streak in 1941 helping him win the AL MVP that there was perhaps someone more deserving In fact the great Ted Williams actually had a higher fWAR bWAR wRC OPS OPS ISO RC well you get the picture So streak or no streak Williams should have been league MVP An introductory course on sabermetrics *A Fan's Guide to Baseball Analytics* is an easily digestible resource that readers can keep turning back to when they see a modern metric referenced in today's baseball coverage [The Complete Idiot's Guide to Journalism](#) Christopher K. Passante, 2007-09-04 Breaking news This is like having J school in a book In recent years news reporting has dramatically changed While the basic who what when where and why of journalism is still relevant aspiring journalists are now asking how The 21st century of blogs instant internet access and 24 hour news shows with minute by minute updates has made reporting a whole new and very competitive business Here a newspaper veteran answers every question about the new world of journalism and explores every possibility for success Covers TV radio magazine newspaper e zine podcast and internet reporting Includes a resource list of media outlets schools and university programs Explores different angles for approaching hard news entertainment weather or sports **Adweek**, 1999-05

[The Steve Spurrier Story](#) Bill Chastain, 2002-09-30 Mention the name Steve Spurrier to sports fans and without a doubt a lively discussion and exchange will ensue Love him or hate him opinions about the new coach of the Washington Redskins and University of Florida gridiron commander rarely rate as ambivalent Bill Chastain's *The Steve Spurrier Story* From Heisman to Head Ballcoach is the first comprehensive biography of the man on the sidelines Through interviews with family friends colleagues and players Chastain provides an intimate look at the significant influences and events that have helped shape Steve Spurrier into the extraordinary and oftentimes controversial football coach he is today When Spurrier was

growing up the slogan It s not whether you win or lose but how you play the game was not a tenet that stuck in the Spurrier household where Spurrier s father the Reverend Graham Spurrier liked to say if it doesn t matter if you won or lose why do you keep score A talented athlete made better by his competitive instincts evolved from this philosophy Spurrier s competitive instincts led him to performances that qualified him to win the Heisman Trophy while playing quarterback for the University of Florida a disappointing NFL career followed Spurrier s competitiveness continued to be his driving force once he began his coaching career Few coaches in the history of college football impacted the outcome of a contest from the sidelines the way Spurrier did An offensive genius with a unique feel for the game Spurrier rubbed opposing coaches and fans the wrong way by winning and winning big while the University of Florida program reached heights never before dreamed of by alumni and fans Complex and commanding demanding and driven Steve Spurrier steps up to the National Football League at the helm of the Washington Redskins in 2002 Having made Gator football synonymous with powerhouse can the ole Head Ballcoach dominate at the professional level the way he did in college Although the jury may still be out he
