Michael Collins Pictures Hoo Peninsula:

Michael Collins Roger Leverdier,2017-04-04 The photographer Michael Collins armed with a large format camera has spent years discovering traces of the past contained in the marshland landscapes just outside of London The Hoo Peninsula is situated between the estuaries of the rivers Thames and Medway one hour by car from central London This narrow stretch of land is mainly made up of sand and clay hills Nature there seems strangely inanimate and the landscape is full of contrasts But technology and industry are encroaching on the grazing sheep the saltmarsh and the mud flats Pylons dot the wilderness in which shipwrecks have become an integral part of the scenery Michael Collins visited the Hoo peninsula over several years producing pictures inspired by the landscapes of plein air painting With their rich details they deliberately follow the tradition of nineteenth century record pictures archival images that were commissioned by the government to document the progress of industrialisation Text in English and German

Blind Corners Michael Collins,2025-05-20 Blind Corners is a book every photographer should own W Scott Olsen Frames For many years photographer Michael Collins had wondered what exactly it was that he found so mysterious about photography In this series of linked pieces Collins offers a reappraisal of humble and often ubiquitous photographic genres that he believes are worthy of greater understanding From restoring abandoned photos whose subjects are lost to time to a quotidian history of the studio portrait from tracing the origins of the panorama within the wider field of art history to an experiment in photographic portraiture using gorillas Collins reveals what it is about photography that continues to fascinate us
