Waste is an elegant history of how people lived how they made sense of gave meaning to and found value in the acts of the everyday Michael Ende, Momo Anne Schwake,Timotheus Schwake,2013 Crisis and Creativity in Performing Arts Training Robert Lewis,Soseh Yekanians,2024-10-08 This book comprises of key articles from the 2023 AusAct The Australian Actor Training Conference that addresses innovative and fresh discussions post COVID on how the Performing Arts can come out of these times of crisis and maintain their survival Each chapter looks at a different aspect of the performing arts and discusses our programs and the unique and significant role acting and performance teachers have in our education sector and their clear contribution to the international creative economies **Between desirability and reality** Hiemer, Julia,2022-08-09 Overemployment i e the preference for fewer work hours is a widespread phenomenon in western societies which may have negative consequences for individual well being and organizational functioning Previously overemployment has been defi ned from an economic perspective mainly as a time money trade off problem This work is the first to adopt a psychological and subjectivist view on overemployment Over three research projects a theory of overemployment its causes and consequences is constructed and tested In addition a multidimensional overemployment scale is developed and initially validated The three research projects include fi rst a review on overemployment conceptualizations and measurements second a Grounded Theory interview study with the aim to develop a theory on overemployment its causes and consequences and third a scale development study comprising over 1 400 participants over 4 studies The importance of overemployment for individual well being e g burnout job satisfaction as well as for organizational variables e g commitment turnover intention is shown Overemployment is found to be a multidimensional construct consisting of three dimensions length density and distribution of work time The developed theory and scale will allow future researchers to analyze overemployment in more detail The work offers interesting insights for HR and management practitioners when it comes to creating attractive working conditions **The Europa Directory of Literary Awards and Prizes** Susan Leckey,2015-12-22 A complete guide to the major awards and prizes of the literary world An invaluable source of information on awards and prizes world wide Covers over 1 000 awards and prizes Comprehensive background information on each award Extensive contact details Contents Includes internationally awarded prizes along with prestigious national awards Subject areas covered include adult and children s fiction non fiction poetry lifetime s achievement translation and drama Information is provided on the history of each award its purpose what is awarded how often the prize is awarded eligibility and restrictions the awarding organization and the most recent recipients Full contact details of the awarding organization are provided including main contact name postal address e mail and Internet address telephone and fax numbers Fully indexed by keyword awarding organization and award by subject **Comparative Children's Literature** Emer O'Sullivan,2005-03-05 Emer O Sullivan traces the history of children s literature studies from the enthusiastic internationalism of the post war period which set out from the idea of a world republic of childhood to modern comparative criticism *Treading Softly* Thomas

Princen,2010-02-19 How to imagine and then realize an ecological order based on living within our biophysical means We are living beyond our means running up debts both economic and ecological consuming the planet s resources at rates not remotely sustainable But it s hard to imagine a different way How can we live without cheap goods and easy credit How can we consume without consuming the systems that support life How can we live well and live within our means In *Treading Softly* Thomas Princen helps us imagine an alternative We need he says a new normal an ecological order that is actually economical with resources that embraces limits that sees sustainable living not as a lifestyle but as a long term connection to fresh free flowing water fertile soil and healthy food The goal would be to live well by living well within the capacities of our resources Princen doesn t offer a quick fix there s no list of easy ways to save the planet to hang on the refrigerator He gives us instead a positive realistic sense of the possible with an abundance of examples concepts and tools for imagining then realizing how to live within our biophysical means *Global Perspectives on Death in Children's Literature* Lesley D.

Clement,Leyli Jamali,2015-07-30 This volume visits death in children s literature from around the world making a substantial contribution to the dialogue between the expanding fields of Childhood Studies Children s Literature and Death Studies Considering both textual and pictorial representations of death contributors focus on the topic of death in children s literature as a physical reality a philosophical concept a psychologically challenging adjustment and or a social construct Essays covering literature from the US Mexico El Salvador Guatemala Canada the UK Sweden Germany Poland Bulgaria Brazil Czechoslovakia the Soviet Union India and Iran display a diverse range of theoretical and cultural perspectives Carefully organized sections interrogate how classic texts have been adapted for the twenty first century how death has been politicized ritualized or metaphorized and visual strategies for representing death and how death has been represented within the context of play Asking how different cultures present the concept of death to children this volume is the first to bring together a global range of perspective on death in children s literature and will be a valuable contribution to an array of disciplines **Communication, Translation, and Community in the Middle Ages and Early Modern Period**

Albrecht Classen,2022-08-22 Literature serves many purposes and one of them certainly proves to be to convey messages wisdom and instruction and this across languages religions and cultures Beyond that as the contributors to this volume underscore people have always endeavored to reach out to their community members that is to build community to learn from each other and to teach Hence this volume explores the meaning of communication translation and community building based on the medium of language While all these aspects have already been discussed in many different venues the contributors endeavor to explore a host of heretofore less considered historical religious literary political and linguistic sources While the dominant focus tends to rest on conflicts hostility and animosity in the pre modern age here the emphasis rests on communication with its myriad of challenges and potentials for establishing a community As the various studies illustrate a close reading of communicative issues opens profound perspectives regarding human relationships and hence the

social context This understanding invites intensive collaboration between medical historians literary scholars translation experts and specialists on religious conflicts and discourses We also learn how much language carries tremendous cultural and social meaning and determines in a most sensitive manner the interactions among people in a communicative and community based fashion **Pleasure and Leisure in the Middle Ages and Early Modern Age** Albrecht

Classen,2019-08-05 Jan Huizinga and Roger Caillois have already taught us to realize how important games and play have been for pre modern civilization Recent research has begun to acknowledge the fundamental importance of these aspects in cultural religious philosophical and literary terms This volume expands on the traditional approach still very much focused on the materiality of game toys cards dice falcons dolls etc and acknowledges that game constituted also a form of coming to terms with human existence in an unstable and volatile world determined by universal randomness and fortune Whether considering blessings or horse fighting falconry or card games playing with dice or dolls we can gain a much deeper understanding of medieval and early modern society when we consider how people pursued pleasure and how they structured their leisure time The contributions examine a wide gamut of approaches to pleasure considering health issues eroticism tournaments playing music reading and listening drinking alcohol gambling and throwing dice This large issue was also relevant of course in non Christian societies and constitutes a critical concern both for the past and the present because we are all homines ludentes **American Media and Mass Culture** Donald Lazere,1987 On subjects from Superman to

rock n roll from Donald Duck to the TV news from soap operas and romance novels to the use of double speak in advertising these lively essays offer students of contemporary media a comprehensive counterstatement to the conservatism that has been ascendant since the seventies in American politics and cultural criticism Donald Lazere brings together selections from nearly forty of the most prominent marxist feminist and other leftist critics of American mass culture from a dozen academic disciplines and fields of media activism The collection will appeal to a wide range of students scholars and general readers
