Unmasking Authentic Black Female Identity Idrissa N. Snider, 2024-12-15 This book is a provocative and fresh look into how Black women display an authentic identity in the face of constant negative images and portrayals of themselves in the media over time. Idrissa N. Snider explores noteworthy occurrences when prominent Black women, including First Lady Michelle Obama, Oscar-winning actress Viola Davis, and Grammy-winning songstress Beyoncé Knowles, have used their platforms and notoriety to push back against age-old stereotypes used to justify their subjugation and mistreatment, such as the "mammie," "angry Black woman," "jezebel," or the "tragic mulatto." Snider emphasizes and honors how Black women uniquely identify as a form of resistance and positive self-actualization and argues that both everyday and socially elite Black women and girls can and do utilize self-definition to disrupt and reject inauthentic and harmful representations of themselves.
