# Nursing Law For Students In Ireland

**Deirdre Madden**

## **Nursing Law For Students In Ireland:**

**Nursing Law for Irish Students** Neil van Dokkum, 2005 A new and unique textbook for Irish nurses written in an accessible narrative style

**Nursing Law for Students in Ireland** Neil Van Dokkum, 2011-04-08 New edition of this popular textbook which presents up to date legislation and legal issues affecting nurses in Ireland New to this edition Practice standards and professional guidance issued by An Bord Altranais the Department of Health and Children and the HSE for the Registered Nurse Prescriber Up to date leading Irish and UK cases are used throughout the text such as Fitzpatrick Another v FK Another 2008 IEHC 104 which deals with capacity to refuse medical treatment Written in an accessible narrative style it covers the four areas of accountability affecting all nurses Professional liability Civil liability Criminal liability Accountability to the employer Where legal concepts or terminologies are used they are thoroughly and clearly explained in a non legal manner Each chapter contains a concluding summary useful websites and further reading for research purposes WRITTEN FOR Nursing students at universities and Institutes of Technology Post registration programmes where law is a module

*Medical Law in Ireland* Deirdre Madden, 2019-10-23 Derived from the renowned multi volume International Encyclopaedia of Laws this convenient volume provides comprehensive analysis of the law affecting the physician patient relationship in Ireland Cutting across the traditional compartments with which lawyers are familiar medical law is concerned with issues arising from this relationship and not with the many wider juridical relations involved in the broader field of health care law After a general introduction the book systematically describes law related to the medical profession proceeding from training licensing and other aspects of access to the profession through disciplinary and professional liability and medical ethics considerations and quality assurance to such aspects of the physician patient relationship as rights and duties of physicians and patients consent privacy and access to medical records Also covered are specific issues such as organ transplants human medical research abortion and euthanasia as well as matters dealing with the physician in relation to other health care providers health care insurance and the health care system Succinct and practical this book will prove to be of great value to professional organizations of physicians nurses hospitals and relevant government agencies Lawyers representing parties with interests in Ireland will welcome this very useful guide and academics and researchers will appreciate its comparative value as a contribution to the study of medical law in the international context

**Social Security Law in Ireland** Mel Cousins, Gerry Whyte, 2024-04-17 Derived from the renowned multi volume International Encyclopaedia of Laws this book describes the social security regime in Ireland It conveys a clear working knowledge of the legal mechanics affecting health care employment injuries and occupational diseases incapacity to work pensions survivors benefits unemployment benefits and services and family benefits The analysis covers the field of application conditions for entitlement calculation of benefits financing the institutional framework and relevant law enforcement and controls Allowances for retirees employees public sector workers the self employed and the handicapped

are all clearly explained along with full details of claims adjudication procedures and appeals Succinct yet eminently practical the book will be a valuable resource for lawyers handling social security matters in Ireland It will be of practical utility to those both in public service and private practice called on to develop and to apply social security law and policy and of special interest as a contribution to the comparative study of social security systems A History of Apprenticeship Nurse Training in Ireland Gerard Fealy,2006-03-20 Based on new research using previously unpublished sources this book is the first in depth study of the history of hospital apprenticeship nurse training in Ireland Annual Report of the Local Government Board for Ireland for the Year ... Ireland. Local Government Board,1898 **Fundamental Aspects of Legal, Ethical and Professional Issues in Nursing 2nd Edition** Sally Carvalho,Maggie Reeves,Jacquie Orford,2012-07-06 This popular title from the Fundamental Aspects of Nursing series has been revised and updated to reflect the advances in the field Vital reading for all student nurses to help them develop an understanding of the myriad of dilemmas in professional practice and ensure they meet professional standards This book will outline the implications and application of the relevant recent legislation that relates to nursing practice Professionally this book will look at the demands and requirements of nursing as it moves to an all graduate profession and the subsequent legal and ethical implications It will also be helpful for qualified nurses as a refresher text for those undertaking Overseas Nurses Programmes With the new Nursing and Midwifery Council s proposals there is a greater emphasis on nurses awareness and ability to use and be assessed in legal ethical and professional issues in their clinical practice Annual Report of the Local Government Board for Ireland for the Year ... ,1902 Care Planning in Children and Young People's Nursing Sonya Clarke,Doris Corkin,2023-08-15 Care Planning in Children and Young People s Nursing Develop a care program to meet a child s individual needs with this essential guide Even seemingly minor decisions can have a significant impact on the early development of a child so it is essential for children to receive a carefully tailored program designed to meet the needs and concerns of each individual child The second edition of Care Planning in Children and Young People s Nursing adds significant scope and material to the already vital first edition Taking a child young person and family centred approach it offers a comprehensive and accessible discussion of care planning with continuous reference to core principles and nursing values This new edition continues to be a fundamental resource for the planning and execution of high quality nursing care for children and young people Readers of the second edition will also find Detailed case scenarios designed to cultivate discussion and produce greater competence Increased emphasis on the voices of children and young people In depth discussion of care planning for specific conditions including new chapters on Sickle Cell Disease Mental Health and Wellbeing of Children and Young People Transition from Children s to Adults Services and more Care Planning in Children and Young People s Nursing is a must have for children s nurses or for any nursing professionals involved in the care of children and young people Poverty and the Poor Law in Ireland, 1850-1914 Virginia Crossman,2013-08-30 The book provides the first detailed comprehensive assessment of the ideological

basis and practical operation of the poor law system in the post Famine period in Ireland 1850 1914      **Fever Hospitals and Fever Nurses** Margaret Currie,2013-01-11 This well researched book provides an interesting study of the development of fever hospitals and fever nursing mainly in nineteenth and twentieth century Britain It provides new insights into the development of nursing roles and nurse education and looks at the lives of key figures at that time The text examines how this once important branch of the nursing profession emerged in the nineteenth century only to be discarded in the second half of the following century Drawing on the work of Goffman and Foucault the study shows how aided by medical advances fever nurses transformed their custodial duties into a therapeutic role and how training schemes were implemented to improve the recruitment and retention of nurses As standards of living improved and patient s chances of recovery increased many fever hospitals became redundant and fever nurses were no longer required The wisdom of creating fever hospitals and then disbanding them is questioned in the light of changing disease patterns international travel and the threat posed by biological warfare      Public Affairs Information Service Bulletin ,1926      The Student's Guide to Becoming a Nurse Ian Peate,2012-05-15 The Student s Guide to BECOMING A NURSE The Student s Guide to Becoming a Nurse is an essential guide for all student nurses who want to become competent practitioners It explores the knowledge skills and attitudes that all pre registration nursing students must acquire by the end of their programme of study enabling them to become confident successful nurses Thoroughly re written and updated to include the latest 2010 NMC standards for pre registration nursing education this invaluable textbook is divided into four key sections Professional values Communication and interpersonal skills Nursing practice and decision making Leadership management and team working With case studies top tips activities and questions throughout The Student s Guide to Becoming a Nurse is ideal for all pre registration nurses and those about to qualify Student Reviews It s been designed for students and that s why I like it it is student friendly useful easy to read Tamara Thomas 2nd year nursing student Swansea University I cannot fault the content it is straight to the point it provides some interesting resources for a student nurse that is essential for them to know a joy to read Faye Elliott 2nd year nursing student Keele University I think the content and material is excellent I will definitely be making recommendations to my friends Leanne Curran 2nd year nursing student University of Ulster This book is truly amazing and provided all of the information needed for my final exam to become a qualified nurse I passed with flying colours thanks Amazon review

*Medicine, Ethics and the Law in Ireland* Deirdre Madden,2011-01-01 Written by one of Ireland s leading medical law academics this practical book comprehensively covers Irish case law and regulations regarding the healthcare system the law relating to human reproduction and the key issues of consent and treatment Designed to be used by lawyers and healthcare professionals the book provides an invaluable reference tool for anybody who requires accurate information and guidance on this area of Irish law This second edition covers medical research and clinical trials organ donation and transportation patient safety and biobanking      Equity and the Law of Trusts in the Republic of Ireland Ronan Keane,2011-01-01 In the

Republic of Ireland there have been many developments in the law affecting trusts such as the decision of the Supreme Court in *Lynch v Burke* on resulting trusts and in England the decision of the House of Lords in *Stack v Dowden* on common intention constructive trusts These and similar developments are comprehensively considered and explained in this second edition The book is fully updated to include all relevant case law and legislation *Current Law Statutes* Great Britain,1979

**The Justice of the Peace for Ireland** R. M. Hennessy,1910      **The Legal Rights of Students with Disabilities** Charles J. Russo,2011-06-16 Since 1948 when the United Nations adopted the Universal Declaration of Human Rights all students have been declared the right to education The rights of disabled students have not been explicitly addressed however and each country has developed their own rules and regulations Although similarities exist among the different countries differences are evident especially in both the extent and acknowledgment of these rights The Legal Rights of Students with Disabilities International Perspectives examines the rights of disabled students in ten diverse countries on six continents Written by leading experts in education law this volume provides comparative insights to help meet the educational needs of disabled students The book also offers strategies to manage the legal and educational complexities associated with special education *Public General Statutes* Great Britain,1979 1925 includes measures of the National Assembly of the Church of England which have received royal assent      **Report on Ireland** Great Britain. Royal Commission on the Poor Laws and Relief of Distress,1909
