The Artinian Intersystem Model Barbara Artinian, Katharine West, Margaret Conger, 2011-04-01 This second edition graduate textbook and reference guide for nurses presents a practice focused intervention from the notable Artinian Intersystem Model. While the first edition focused largely on theory this second edition seeks to integrate both theory and practice to ultimately help enhance the nurse patient relationship as well as nursing practice at large. The authors offer practical care plans at various levels of expertise across the continuum of care from acute care to long term care to resolve concerns through joint decision making and to document interventions. The text establishes exclusive care plans and scales for the Artinian Intersystem Model to document changes in health status. The book also employs evidence based Glaserian Grounded Theory research methods and serves as a companion to Springer Publishing's Glaserian Grounded Theory in
