At an average age of only 47 they're not the white-haired cookie-scented matrons of yesteryear and please don't call them Granny. The Hip Grandma's Handbook resents is the perfect accessory for today's new grandma. An eclectic collection of humor, reflections and product recommendations it offers worldly wisdom and common sense advice on everything from glam alternatives to Grammy, think M. Mere to tips on feigning interest in yet another round of ultrasounds. It looks just like you. The book's funny, funky voice is a refreshing alternative to the traditional titles on the market yet it offers wholesome, time-honored information for conscientious grandmothers looking to nourish and nurture grandchildren while maintaining their own identity and having fun in the process. Entertaining and inspiring, the book is a thoughtful gift for M. Meres of any age.

Law & Advertising Dean K. Fueroghne, 2017-03-01 In this lively, entertaining and informative book, Dean K. Fueroghne guides readers through the complex laws governing the creation of advertising, illuminating a heavily regulated arena at the intersection of free enterprise and consumer protection. Is it acceptable to use images of real people famous or not? Can Nike talk about Adidas in its promotional campaign? When can money be shown? What constitutes puffery or deceptive truth or bait and switch advertising? What are the specific rules pertaining to professional businesses, political advertising or the marketing of alcohol or tobacco? What is the difference between copyright and trademark? Fueroghne answers these questions and more as he covers the complex laws relevant to advertising in all its guises. In addition to discussing specific cases, he explains the reasoning behind the court's decisions and how it affects the business of advertising. Students of strategic communication as well as advertising professionals from agency account executives and copywriters to art directors and freelance designers will learn to anticipate when proposed advertising may cause legal problems and how to avoid costly mistakes. Advertising lawyers will also appreciate the book as a handy reference that gathers in one place the many disparate laws affecting marketing and promotion in the United States today.

**Undrugged: Sleep** Dr. Lori Arnold PharmD, 2018-03-23 Sleepless in America is not a Meg Ryan and Tom Hanks movie. This is a real-life drama fueled by the performance anxiety that keeps you up all night worrying about being up all night. If you battle nightly dream stealers, you are one of fifty to seventy million American adults with chronic sleep disorders. We live in a take-a-pill-and-go-to-sleep era. Like Pavlov's dogs, insomnia-plagued Americans have been trained to pop a pill to reap a sleep reward, expecting to immediately fall asleep and stay asleep with little or no effort. The path of least resistance offers an easy way out rather than focusing on the root cause of the insomnia. What do you hope to achieve by taking a sleeping pill? You hope to achieve a blissful state of restful and rejuvenating sleep, allowing you to then work better, think better and function better the next day. You hope that prescription sleep aids will be a temporary fix and will not result in long-term use or dependence. Expectations and actual experiences may vastly differ, often yielding more disappointing results than anticipated. Your health choices are being unfairly influenced by clever pharmaceutical marketing propaganda, resulting in a

destructive drug path plagued with dangerous side effects interactions drug induced diseases nutrient depletions and even addiction If sleeping pills are the problem Undrugged Sleep is the solution that will help you embark on a personal healing journey Becoming more aware of sleep drugs health impairing issues will help motivate you to remove the drug insult correct the root cause and ultimately replace the drug with safer natural solutions A functional medicine approach offers insomnia drug alternatives combining sleep hygiene nutrition and nutraceuticals No more Band Aid approaches to healing Undrugged Sleep is a true drug free solution that will restore rejuvenating rest and have you sleeping like a baby in no time *Live 1,000 Years: The Amazing New Science of Happiness, Health, Money, and Love: Discover who you are? Where you came from before birth? Where you're going after death?* Brent J. Jordan, Esq., LL.M., 2016-06-30 Virtually every person who has ever lived has wondered if we exist either in body soul or spirit before our physical birth and after our physical death Virtually every religion civilization philosophy and culture has answered both questions with a resounding YES In fact modern scientists have shown us overwhelming evidence that our body soul or spirit exists prior to our physical birth and after our brain heart and lungs cease to function Join me for an incredible journey By understanding who we are and how to live in the world we will know what the world is all about and thus live a life of happiness health money and love Kitchen Physics Deji Badiru, Iswat Badiru, 2018-07-23 This book goes a little beyond being just another recipe book It is a recipe book with a unique twist that delves into the fun and fellowship aspects of food preparation in the kitchen Unlike most conventional recipe books Kitchen Physics Dynamic Nigerian Recipes takes readers through an intellectual path of cooking popular Nigerian foods Food and recipes bring people together Immigrants residing anywhere in the world connect with their original homelands through their continuing connection with their respective ethnic foods No matter how long an immigrant has lived outside his or her home country the excitement of relevant ethnic foods still persists Even second third and fourth generation immigrants still connect with their parents original home countries through the appropriate ethnic foods This fact is very much applicable to Nigerian immigrants anywhere in the world The purpose of this book is to provide an avenue of connectivity to the ethnic origins of readers He or she who is connected to the food is connected to the ethnic affiliation of the food Not forgetting home means connecting with foods from home Food and fellowship go hand in hand in the African culture There are facts and fallacies of food all around the world but it is often fellowship that gels everything together *Physics in the Nigerian Kitchen* Deji Badiru, Iswat Badiru, 2013-01-21 With food as the centerpiece of fellowship with family neighbors and friends the Nigerian kitchen is warm happy and full of drama And so it is with a great love for fellowship and food that Nigerian husband and wife team Deji and Iswat Badiru share a variety of ethnic recipes pulled together over years of cooking eating and savoring their cultures traditional food The Badirus who love experimenting with food as much as tasting their creations rely on their years of experience in the Nigerian kitchen to offer an intriguing and informative glimpse into a culture where food is not only embraced but also worshipped in some areas While sharing a

unique behind the scenes look into the food preparation process and the science of transforming ingredients they also offer tips on healthy eating practices proper cooking techniques and effective management of projects in the kitchen Included are many delicious recipes such as fried plantain and fried egg cassava grits okra soup with meat and meat pie Physics in the Nigerian Kitchen is a unique guide to cooking African fare that provides encouragement and valuable information for anyone interested in cultivating a joy and love for food friends and family in their own kitchen **Nature's Secret Messages**
