O God A Dialogue On Truth And Oprahs Spirituality:

O God Josh McDowell, Dave Sterrett, 2009 The authors provide a Christian response to the teachings of Oprah and her friends including current best selling authors and influential spiritual teachers through a fictional dialogue between two female graduate students Oprah Kitty Kelley, 2010-04-13 For the past twenty five years no one has been better at revealing secrets than Oprah Winfrey On what is arguably the most influential show in television history she has gotten her guests often the biggest celebrities in the world to bare their love lives explore their painful pasts admit their transgressions reveal their pleasures and explore their demons In turn Oprah has repeatedly allowed her audience to share in her own life story opening up about the sexual abuse in her past and discussing her romantic relationships her weight problems her spiritual beliefs her charitable donations and her strongly held views on the state of the world After a quarter of a century of the Oprah ization of America can there be any more secrets left to reveal Yes Because Oprah has met her match Kitty Kelley has over the same period of time fearlessly and relentlessly investigated and written about the world s most revered icons Jacqueline Kennedy Onassis Frank Sinatra Nancy Reagan England s Royal Family and the Bush dynasty In her 1 bestselling biographies she has exposed truths and exploded myths to uncover the real human beings that exist behind their manufactured facades Turning her reportorial sights on Oprah Kelley has now given us an unvarnished look at the stories Oprah s told and the life she s led Kelley has talked to Oprah s closest family members and business associates She has obtained court records birth certificates financial and tax records and even copies of Oprah s legendary and punishing confidentiality agreements She has probed every aspect of Oprah Winfrey s life and it is as if she s written the most extraordinary segment of The Oprah Winfrey Show ever filmed one in which Oprah herself is finally and fully revealed There is a case to be made and it is certainly made in this book that Oprah Winfrey is an important and even great figure of the twentieth and twenty first centuries But there is also a case to be made that even greatness needs to be examined and put under a microscope Fact must be separated from myth truth from hype Kitty Kelley has made that separation showing both sides of Oprah as they have never been shown before In doing so she has written a psychologically perceptive and meticulously researched book that will surprise and thrill everyone who reads it **The Suicide of American Christianity** Michael D. LeMay, 2012-05-11 American Christianity is dying a slow death at its own hands Instead of positively affecting the secular culture we are being infected by it under the guise of being seeker friendly and loving Soon the church may be an exact mirror of the culture that seeks to destroy us With a lack of strong principled leaders and with followers who want their ears tickled instead of being challenged to pursue righteousness American Christianity is writing its own epitaph as it slowly dies Unless we reverse course by embracing the complete absolute truth of Gods Word and stop trying to redefine God in our selfish human image only a remnant will remain from a once powerful church Do we have the courage to challenge our leaders and ourselves to reject secular culture and its influences Or will we continue to die a slow death at our own hands as we continue to inhale the

cancer of secular humanism Time is running out Mama Bear ApologeticsTM Hillary Morgan Ferrer,2019-06-04 Foreword written by Nancy Pearcey Parents are the most important apologists our kids will ever know Mama Bear Apologetics will help you navigate your kids questions and prepare them to become committed Christ followers J Warner Wallace If every Christian mom would apply this book in her parenting it would profoundly transform the next generation Natasha Crain RoarLikeAMother The problem with lies is they don t often sound like lies They seem harmless and even sound right So what s a Mama Bear to do when her kids seem to be absorbing the culture s lies uncritically Mama Bear Apologetics is the book you ve been looking for This mom to mom guide will equip you to teach your kids how to form their own biblical beliefs about what is true and what is false Through transparent life stories and clear practical applications including prayer strategies this band of Mama Bears offers you tools to train yourself so you can turn around and train your kids Are you ready to answer the rallying cry Mess with our kids and we will demolish your arguments Join the Mama Bears and raise your voice to protect your kids by teaching them how to think through and address the issues head on yet with gentleness and respect Why Trust Jesus? Dave Sterrett,2010-02-17 The last decade has shaken our trust in personal safety through terrorist attacks school shootings economic turmoil and war Our trust has been shattered in other areas as we have seen hypocrisy in governmental leaders as well as in the church We are looking for relationships that are authentic and full of life but we have many questions in regard to faith reason suffering and even the person of Jesus himself Author and speaker Dave Sterrett helps us answer these and other questions Why Should I Trust Jesus when So Many Other Spiritual Paths Exist The foundation of trusting in Jesus is that he is true But if absolute truth does not exist then to say that Jesus is the Truth is a meaningless statement Many definitions of truth fail but a good definition of truth is that which corresponds to reality simply put truth is telling it like it is Why Should I Trust Jesus When All I Need to do is Trust Myself Human knowledge is real but it has its limitations Jesus however is all knowing He knows everything about me He knows everything about you He knows what you are thinking He knows what you are feeling He understands you better than you understand yourself This is one of the many good reasons for us to pray to the Father in the name of the Son Why Should I Trust Jesus in the Midst of Suffering and Death The ultimate foundation of Christianity is a historical event the bodily resurrection of Jesus Christ A man who walked this earth in history claimed to be God died on the cross and bodily rose from the dead Many people in today s culture both Christians and non Christians have questions about why and how to trust Jesus But there is hope He is worthy of our trust *Oprah Winfrey* Helen S.
