Medieval Europe A Short Sourcebook:

Medieval Europe Charles Warren Hollister, 1982 **Medieval Europe** C. Warren Hollister, 1992 **Medieval Europe: A Short Sourcebook** David Spear, Marc Meyer, C. Warren Hollister, Joe Leedom, 2001-10-31 This collection of documents in medieval history is designed to accompany the recently revised MEDIEVAL EUROPE A SHORT HISTORY by C Warren Hollister and Judith Bennett However the diverse selection of sources also makes it a useful supplement for courses in Western Civilization As in previous editions this reader continues to provide a lucid and approachable introduction to each of the documents and a special chapter devoted to visual sources in medieval history In addition to these hallmark features the fourth edition includes new Internet resources thought questions at both the reading and chapter level and a more geographically diverse range of readings Artifacts from Medieval Europe James B. Tschen-Emmons, 2015-02-10 Using artifacts as primary sources this book enables students to comprehensively assess and analyze historic evidence in the context of the medieval period This new addition to the Daily Life through Artifacts series provides not only the full benefit of a reference work with its comprehensive explanations and primary sources but also supplies images of the objects bringing a particular aspect of the medieval world to life Each entry in Artifacts from Medieval Europe explains and expands upon the cultural significance of the artifact depicted Artifacts are divided into such thematic categories as domestic life religion and transportation Considered collectively the various artifacts provide a composite look at daily life in the Middle Ages Unlike medieval history encyclopedias that feature brief reference entries this book uses artifacts to examine major aspects of daily life Each artifact entry features an introduction a description an examination of its contextual significance and a list of further resources This approach trains students how to best analyze primary sources General readers with an interest in history will also benefit from this approach to learning that enables a more complete appreciation of past events and circumstances **Later Medieval Europe** Daniel Waley, Peter Denley, 2013-11-26 From the divine right of kings to the political philosophies of writers such as Machiavelli the medieval city states to the unification of Spain Daniel Waley and Peter Denley focus on the growing power of the state to illuminate changing political ideas in Europe between the thirteenth and sixteenth centuries Spanning the entire continent and beyond and using contemporary voices wherever possible the authors include substantial sections on economics religion and art and how developments in these areas fed into and were influenced by the transformation of political thinking The new edition takes the narrative beyond the confines of western Europe with chapters on East Central Europe and the teutonic knights and the Portuguese expansion across the Atlantic The third edition of this classic introduction to the period includes even greater use of contemporary voices full reading lists and new chapters on East Central Europe and Portuguese exploration Suitable as an introductory text for undergraduate courses in Medieval Studies and Medieval European History **Medieval Europe** Charles Warren Hollister, Judith M. Bennett, 2002 For more than three decades C Warren Hollister nurtured this classic text of Medieval European History which was

profoundly marked by his clear historical vision and engaging teaching style The ninth edition seeks to introduce today's students to the medieval roots of our own society Judith Bennett has updated this classic book while striving to lose neither the vision nor the style of the original She brings to this revision expanded coverage of women's history social and cultural history the role of the common man and woman of the Middle Ages and the history of the Late Middle Ages *The European World, 400-1450* Barbara A. Hanawalt, 2005-05-26 The history of the Middle Ages is one of believers and barbarians popes and peasants It is the story of competing empires and unforgettable leaders The Middle Ages laid the groundwork for the growth of early modern Europe From its bustling cities distinguished universities soaring cathedrals and trade routes Europe began to reach out to the rest of the world *Term Paper Resource Guide to Medieval History* Jean Shepherd Hamm, 2009-11-25 Help students get the most out of studying medieval history with this comprehensive and practical research guide to topics and resources *Term Paper Resource Guide to Medieval History* brings key historic events and individuals alive to enrich and stimulate students in challenging and enjoyable ways Students from high school to college will be able to get a jump start on assignments with the hundreds of term paper projects and research information offered here The book transforms and elevates the research experience and will prove an invaluable resource for motivating and educating students Each event entry begins with a brief summary to pique interest and then offers original and thought provoking term paper ideas in both standard and alternative formats that often incorporate the latest in electronic media such as the iPod and iMovie The best primary and secondary sources for further research are annotated followed by vetted stable website suggestions and multimedia resources usually films for further viewing and listening **The Normans and Their Adversaries at War** Richard Philip Abels, Bernard S. Bachrach, 2001 Studies of warfare armies logistics and weapons throughout the Norman realms The studies in this book examine and illuminate the Anglo Saxon and Anglo Norman military institutions that supported and shaped the conduct of war in northwestern Europe in the central middle ages Taken together they challenge received opinion on a number of issues and force a profound reconsideration of the manner in which the Normans and their adversaries Anglo Saxons Danes Angevins and the Welsh prepared for and waged war Contributors RICHARD ABELS BERNARD BACHRACH KELLY DEVRIES JOHN FRANCE C M GILLMOR ROBERT HELMERICH S NIELS LUND STEPHEN MORILLO MICHAEL PRESTWICH FREDERICK SUPPE **Kitab Al-Qabasat** Muḥammad Bāqir ibn Muḥammad Dāmād, 2009 Including Selections from Sayyed Ahmad Alawi's Sharoh Kitaab al Qabasaat *Sources of The Making of the West, Volume I: To 1740* Katharine J. Lualdi, 2009 *Sources of The Making of the West* helps bring the history of the west to life Thoroughly revised and designed to be used independently or as a companion reader this two volume collection parallels the major topics and themes covered in each chapter of *The Making of the West* A broad range of source types and themes illuminate historical experience from a diversity of perspectives This reader offers instructors even more opportunities to promote classroom discussion of primary documents and to help students develop essential historical

thinking skills Publisher's website **Medieval Art** Michael Byron Norris, Rebecca Arkenberg, 2005 This educational resource packet covers more than 1200 years of medieval art from western Europe and Byzantium as represented by objects in the collection of The Metropolitan Museum of Art Among the contents of this resource are an overview of medieval art and the period a collection of aspects of medieval life including knighthood monasticism pilgrimage and pleasures and pastimes information on materials and techniques medieval artists used maps a timeline a bibliography and a selection of useful resources including a list of significant collections of medieval art in the U S and Canada and a guide to relevant Web sites Tote box includes a binder book containing background information lesson plans timeline glossary bibliography suggested additional resources and 35 slides as well as two posters and a 2 CD ROMs **The Ancient Near East, Greece and Rome** Jack L. Schwartzwald, 2014-03-13 This book offers a concise survey of Western Civilization from the Stone Age through the fall of the last Western Roman Emperor in AD 476 Each of the three sections chronicle a critical epoch in human history Section I encompasses man's ascent from barbarism to civilization in the Ancient Near East Section II witnesses the development of Western Civilization in Ancient Greece and Section III catalogs the failed attempt to build the West's first nation state in Ancient Rome Human foibles are abundantly portrayed but so too is the ascent of humankind *Culture of Christendom* Marc A. Meyer, 1993-07-01 The Culture of Christendom brings together original essays by distinguished historians on medieval European history Their range reflects the breadth of Denis Bethell's own interests which though centred on the high medieval church encompassed the culture of the middle ages as a whole *A Short History of Renaissance and Reformation Europe* Jonathan W. Zophy, 1999 In an effort to bridge the gap between the often different worlds of professors and students this exploration of Renaissance and Reformation Europe offers an accessible engaging approach that pays sufficient attention to the roles and contributions of women Its conversational tone and concise presentation are examples of an approach that is more representative than comprehensive introducing historical figures and concepts as they flow through the narrative without frequent interruption to include and define technical and foreign terms Rather than a compendium or grand summa the text serves as a brief introduction to some of the major personalities issues events and ideas of the Renaissance and Reformation age *John Mirk's Festial* Judy Ann Ford, 2006 First full analysis of John Mirk's Festial of particular importance for the evidence it offers for the debate over medieval heresy and orthodoxy Marvellously perceptive and insightful FIONA SOMERSET Duke University Written with largely uneducated rural congregations in mind John Mirk's Festial became the most popular vernacular sermon collection of late medieval England yet until relatively recently it has been neglected by scholars despite the fact that the question of popular access to the Bible undoubtedly regarded as the preserve of learned culture along with the related issue of the relative authority of written text and tradition is at the heart of both late medieval heresy and the resultant reformulation of orthodoxy It offers in fact an unparalleled opportunity to analyze the religious ideology communicated by the orthodox church to the vast majority of

people in fourteenth century England the ordinary country folk This book represents the first major examination of the Festial looking in particular at the issues of popular culture and piety the oral tradition biblical and secular authority and clerical power JUDY ANN FORD is Associate Professor in the History Department of Texas A M University Commerce

Essays in Defence of the Female Sex Manuela D'Amore, Michèle Lardy, 2014-07-24 Letters diaries memoirs conduct books and early feminist pamphlets Essays in Defence of the Female Sex Custom Education and Authority in Seventeenth Century England is a two part text based volume on the pivotal figures and most distinctive sometimes contradictory aspects of the querelle des femmes in Stuart England Background information is given through male and especially female authored sources while the close analysis of Hanna Woolley s Bathsua Makin s Marry Astell s Judith Drake s and Eugenia s most renowned tracts sheds light on women s difficult path towards emancipation Addressed to both specialist and non specialist readers Essays in Defence of the Female Sex will also explain why and to what extent early feminist pamphleteering combined theory with practice tradition with innovation reality with utopia

The Collapse and Recovery of Europe, AD 476-1648 Jack L. Schwartzwald, 2015-12-04 The collapse of the Western Roman Empire in the late 5th century A D marked the disintegration of order and security in Europe It would be twelve centuries of trial and error before a successor political system the nation state emerged to fill the void The Eastern Roman Empire survived for a thousand years after the Western Empire s fall shielding the West from the encroachment of militant Islam During the same millennium the Catholic Church unsuccessfully tried to resurrect a universal empire in the West During the period of the Renaissance Reformation and Thirty Years War the nation state arose as Rome s successor This is the story of those 1 200 years an era that transformed the Western outlook from one bound to faith amidst chaos to one armed with reason and a belief in progress [A Short History of Renaissance Italy](#) Lisa Kaborycha, 2023-11-30 From Giotto s artistic revolution at the dawn of the fourteenth century to the scientific discoveries of Galileo in the early seventeenth this book explores the cultural developments of one of the most remarkable and vibrant periods of history the Italian Renaissance What makes the period all the more amazing is that this flowering of the visual arts literature and philosophy occurred against a turbulent backdrop of civic factionalism foreign invasions war and pestilence The fifteen chapters move briskly from the Fall of the Roman Empire in the West through the growth of the Italian city states where in the crucible of pandemic disease and social unrest a new approach to learning known as humanism was forged political and religious certainties challenged Traversing the entire Italian Peninsula Florence Rome Milan Venice Naples and Sicily this book examines the rich regional diversity of Renaissance cultural experience and considers men s and women s lives their changing social attitudes and beliefs across three centuries This second edition has been updated throughout it now contains dozens of color images and timelines as well as links to the author s new companion book of primary sources Voices from the Italian Renaissance Readers will need no preliminary background on the subject matter as the story is told in a lively readable narrative Interdisciplinary in nature its characters are merchants

bankers artists saints soldiers of fortune poets popes and courtesans With brief literary excerpts first hand accounts maps and illustrations that help bring the era to life this is an ideal text for students in a college survey course as well as for the interested general reader or traveler to Italy who is curious to learn more about the extraordinary heritage of the Renaissance

Women In Dark Age And Early Medieval Europe c.500-1200 Helen Jewell,2006-10-04 The period 1200 1550 opened in a time of population expansion but went on to suffer the demographically cataclysmic effects of the plague beginning with the Black Death of 1347 51 The period dawned with a confident papacy and the Albigensian crusade against heretics and ended with the Catholic church torn apart by the Protestant Reformation Huge challenges were affecting society in various ways but they did not always affect men and women in the same ways Helen M Jewell provides a lively survey of western European women s activities and experiences during this timeframe The core chapters investigate The function of women in the countryside and towns The role of women in the ruling and landholding classes Women within the context of religion This practical centre of the book is embedded in an analysis of the gender theories inherited from the earlier Middle Ages which continued to underpin laws which restricted women s activity an education system which offered them inferior institutional provision and a church which denied them ministry Three individuals who vastly exceeded these expectations crashing through the glass ceilings of their day are brought together in a fascinating final chapter Combining a historiographical survey of trends over the last thirty years with more recent scholarship this is as indispensable introduction for anyone with an interest in women s history from the late Medieval period through to the Reformation
